CONSULTATIONS SUR
RENDEZ-VOUS

October 21st, 1977

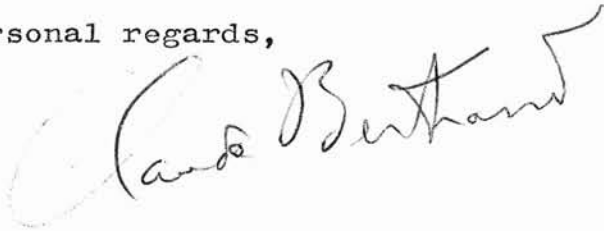

Professor Doctor F. MUNDINGER,
European Society for Stereotactic
and Functional Neurosurgery,
Neurochirurgische Universitäts-Klinik,
D-78 Freiburg,
Hugstetter Strasse,
FREIBURG, Germany.

Dear Professor Mundinger,

The Members of the European Society
for Stereotactic and Functional Neurosurgery were
very kind to give me the Silver Medal of their
Society. I consider this as a recognition of the
long and sustained interest of our group in the
field of stereotactic surgery and also, I hope, of a
worthwhile contribution to its evolution.

It is a great honor for me to accept
this medal as a testimony of friendship from the
members of your Society.

Best personal regards,

CB/te

Professor Claude Bertrand
