Professor HANKINSON
Department of Surgical Neurology
Newcastle General Hospital
Newcastle upon Tyne
NE4 6BE

Dear Professor HANKINSON,

I should be very honoured to be a member of the European Society for Stereotactic and functional Neurosurgery.

Since 1972 I am assistant of Professor De Rougemont, and I have in charge the stereotactic surgery in the Department of Neurosurgery.

Would it be possible to know the requirements to be fulfilled ?

Faithfully yours.

A handwritten signature in cursive script, reading "A. Benabid", is written over a horizontal line.

Dr A. L. BENABID.
